Date: October 14, 2016
CONSTRUCTION ALERT

[Anuncio en español](#)

UPDATE: Nighttime Full Closures of Eastbound 91 at Lincoln Avenue
Saturday, October 15 at 11:59 pm to Sunday, October 16 at 8 am
Monday, October 17 at 11 pm to Tuesday, October 18 at 5 am
Tuesday, October 18 at 11 pm to Wednesday, October 19 at 5 am

As part of the Riverside County Transportation Commission's (RCTC) 91 Project, crews will reduce eastbound 91 to one lane (far right side) at Lincoln Avenue. This will replace the nighttime full closures of eastbound 91 that had been planned at Maple Street on October 17 to 19.

Motorists will take the Lincoln Avenue off-ramp, which during this time they will not be able to exit at Lincoln Avenue. After passing the Lincoln Avenue bridge, motorists will use a temporary paved section of roadway to continue on eastbound 91 without exiting the highway. This will allow crews to work on the east side of the 91 to place support structures for the widening of the Lincoln Avenue bridge. The opportunity to start this work sooner is a result of the cancellation of the weekend repaving work of the westbound 91 Express Lanes in Orange County.

Please follow posted detour signs, allow extra travel time, and check real-time traffic information using IE511.org.

For questions about the 91 Project in Riverside County, please call the helpline or visit the website noted below. Thank you for your patience and understanding.
